The upcoming public meetings will enable citizens to:

- Learn about the U.S. 30 improvement projects and their purpose and needs
- Review alternatives to improve safety, reduce future congestion, accommodate planned growth, improve facility deficiencies, and improve connectivity along the mainline corridor and interchanges
- Provide feedback on the project

The meeting facilities are accessible for persons with disabilities. If you require special accommodations, or additional information, please contact: Steven Fellin at (610) 205-6821
