Dear Resident:

As you may be aware, Valley Township received a grant for road reconstruction and drainage improvements on Concord Street for the two blocks between the intersections of West 9<sup>th</sup> Avenue and West 11<sup>th</sup> Avenue. New storm sewer infrastructure will also be constructed along West 10<sup>th</sup> Avenue from Concord Street to Madison Street.

Both blocks of Concord Street will be shut down starting on or about October 12 through December. The exact schedule and duration will be weather dependent. Additionally, West 11<sup>th</sup> Avenue at Concord Street and West 10<sup>th</sup> Avenue from Madison Street to Concord Street are expected to be closed for several days during construction. Both 10<sup>th</sup> and 11<sup>th</sup> Avenue will be re-opened after work hours, but Concord Street will not.

During this time, access to Concord Street for parking will not be available, and trash and recycling collection will be provided in the front of properties along Charles Street and Madison Street. Please do not leave trash and recycling receptacles in the roadways or sidewalks in between collection days.

The contractor will be performing survey and isolated test pit excavations next week (October 5-9) in preparation for the start of work the following week. No roads are expected to be closed entirely for the test pit work.

**Two virtual public meetings with residents will be held on Monday, October 5 at 7:00 pm and Tuesday, October 6 at 12:00 pm to provide more information about the project and answer any questions.** Representatives from the Township, Engineer (Pennonni Associates), and Contractor (Marino Construction) will be present at the meetings. The meetings will be conducted via GoToMeeting at the links below. The links are also available on Valley Township's website.

**Tuesday, October 6 at 12:00 pm:** <https://global.gotomeeting.com/join/114977269>

If you have any questions, please call the Valley Township office at (610) 384-5751 ext. 7 and leave a voicemail in the general voicemail box. We will then have the appropriate personnel respond to your call.

Thank you in advance for your patience and cooperation throughout this project, and we hope that you will be able to attend one of the meetings.

Sincerely,  
Valley Township Board of Supervisors
