To: Prospective Health Fair Participants  
From: Valley Township Parks & Recreation Authority

***RE: Valley Day-Save the Date-Saturday October 7<sup>th</sup> (rain date October 14<sup>th</sup>)***

Valley Township Parks and Recreation Authority will be sponsoring their 13<sup>th</sup> Annual Valley Day event on Saturday October 7, 2017 from 10:00 AM to 4:00 PM. This year we are very excited to partner our event with the Chester County Fall Flying Festival whose event draws in excess of 5000 people. Due to us partnering with the Flying Festival our venue has changed to: **Chester County/G.O. Carlson Airport, #1 Earhart Drive, Coatesville, PA 19320.**

Valley Township has an estimated population of over 7,000 residents, and new homes continue to be built to add to the population total. We have become one of the fastest growing communities in Chester County. A community day helps us bridge gaps between our lifetime and new residents in a very positive way.

Valley Day is a day filled with free events for our residents and surrounding communities. Featured at the event will not only include a health fair but also live music, food, entertainment, beer garden, car show, monster truck rides, airplane exhibits, petting zoo, and activities for all ages. The Health Fair will be from 10:00 AM - 4:00 PM. The Health Fair is an important part of Valley day because it is not only a service for our residents and is not only good for them, but also for the health fair participant. It is not only about giving back, but also about building relationships for the future.

Thank you in advance for your time and consideration to this matter. If you have any questions you may contact Ms. Patrice Proctor, Supervisor @ (610)470-7020.

Thank you again,  
The Valley Township Parks & Recreation Authority
